Certification Fees payable to ASCB

Once accreditation is achieved, there is a small cost for each certificate issued by the Certification Body to a certified organization. The fees below are immediately payable upon each certificate issued by the Certification Body to a certified organization for the initial issue and annual surveillance. IRQAO collects the fees on behalf of ASCB. The fees below are effective from January 1st, 2025.

Certificates covering multiple standards, including integrated systems (IMS), will be subject to fees for each individual standard within the IMS assessed.
