

# ASCB Fees for Validation and Verification Bodies (ISO/IEC 17029)

## New applicants

Application fee (including review of up to two validation and or verification activities):	USD 1,640
Application fee for scope extension (additional validation or verification activities):	USD 550

## Ongoing accreditation costs

Fee item	Amount
Annual Administration Fee (see footnote 1):	USD 1,640
Assessor day rate (see footnote 2):	USD 750 per assessor day
Scope extension assessment fee: <i>This applies when an accredited body seeks approval to add new validation or verification activities beyond its current scope (for example, extending from organizational greenhouse gas verification to project-based greenhouse gas validation).</i>	USD 650

## Footnotes

1. The Annual Accreditation Fee is discounted each year by the Statement Issuance Fees (see below) paid to ASCB in the prior 12 months, up to a maximum discount of 100%.
2. The number of assessor days required depends on the applied scope, complexity of validation and verification activities, applicable standards or schemes, geographic coverage, and the operational structure. Please contact ASCB for a detailed quotation. Travel time is not chargeable. Travel and accommodation expenses are charged at cost in accordance with the ASCB assessor travel policy.

## Statement Issuance Fees payable to ASCB

Once accreditation is achieved, a fee is payable for each validation or verification statement issued by the Validation and Verification Body to an organization.

The fees in Annex A below are payable upon issuance of each validation or verification statement for initial activities and for subsequent validation or verification activities, where applicable. IRQAO collects the fees on behalf of ASCB.

The fees below are effective from January 1, 2026. Where a validation or verification statement covers multiple applicable standards, schemes, or programs, fees apply to each individual standard, scheme, or program included within the scope of the statement.

## Additional Notes

All fees are stated in US dollars.

Accreditation applies solely to the Validation and Verification Body and its defined scope of accredited activities. It does not constitute regulatory approval, endorsement, or acceptance of any organization, product, project, subject matter, or claim.

All validation and verification statements issued under ASCB accreditation must be registered in accordance with ASCB requirements.

For further details, contact ASCB at [admin@ascb.com](mailto:admin@ascb.com) or telephone +1 302 310 5048.

## Annex A - Statement Issuance Fees

ASCB applies a risk-based compliance framework and excludes jurisdictions subject to comprehensive international sanctions or restrictions. All engagements are subject to due diligence and screening to ensure compliance with applicable legal and regulatory requirements.
